

OGC Has Reviewed

MEMORANDUM FOR: Deputy Director of Personnel for Planning and Research

SUBJECT : Consultant Pay

REFERENCE : Memo to D/Pers from OGC dated 29 Nov 1967, subject:  
Consultants' Fees

1. The Office of General Counsel has indicated that the Executive Director-Comptroller, under delegated authority from the Director dated 5 October 1967, may establish rates of compensation for consultants comparable to those paid in other agencies. While \$100 per day of service is suggested, the OGC has informed us that this is not an absolute limit since some agencies have authority to pay in excess of this amount.

2. The following changes in HR  Consultants are therefore proposed:

25X1A

Paragraph c (2) - Change first sentence to read "When consultants serve on a compensated basis, the rate of compensation shall be fixed at a sum determined to be consistent with qualifications and services to be rendered, but the rate shall not normally exceed \$100 for each day of service".

Paragraph e (1) - Change this paragraph to read "The Director of Central Intelligence, or in his absence the Deputy Director of Central Intelligence or the Executive Director-Comptroller, shall grant final approval for the use of specific individuals as consultants and final approval of the rate of compensation."

25X1A
